THE MISSOURI CHAPTER OF THE AMERICAN CONCRETE INSTITUTE
ANNOUNCES
ACI Certification Exam for
CONCRETE FIELD TESTING TECHNICIAN - GRADE I

REVIEW SESSION: April 11, 2012 (Wednesday) 6:00 - 9:00 p.m.
Vee Jay Cement
8053 Chivvis Dr.
St. Louis, Missouri 63123

WRITTEN and PRACTICAL EXAMINATION: April 14, 2012 (Saturday) 7:30 a.m.
Vee Jay Cement
8053 Chivvis Dr.
St. Louis, Missouri 63123

REGISTRATION DEADLINE March 23, 2012

The cost of certification is $282.00. Workbooks, which include the pertinent ASTM procedures and sample questions, are available in the "bookstore" section of ACI's website http://www.act-int.org. They can also be purchased for $91 by completing this form. Purchased workbooks will be handed out at the review session. Workbooks may also be picked up at Quality Testing and Engineering. If ordering via this form, **workbook orders must be received by Friday, March 16, 2012**. More information on the examination process can be found online at http://www.concrete.org under certification programs.

Examiner assistants are being solicited to help with the practical examination. If you or someone in your organization can assist us in conducting this program, call Eric Marlinghaus at Phone: (618) 632-9900. Examiner assistants must hold a current ACI Grade 1 Field Testing Technician Certification.

Please complete the form at the bottom of the page and return with a check made payable to **MISSOURI CHAPTER ACI**.
